

The Door County Beer Festival is a Peninsula Pacers event, put on by the same people who bring you the Door County Half Marathon, Peninsula Century Fall Challenge, Hey Hey 5k, Door County Pond Hockey Tournament, and the Spring Classic. We're committed to creating events and experiences that celebrate the best of Door County and bring communities together.

Door County Beer Festival Co-producers

Finally, this event would not be possible without the tremendous support of the Baileys Harbor community, town leadership, and the sponsors who make it possible. Thank you to everyone for being a part of a beautiful day in the 'Haba!

You'll also taste creations from some of the great chefs that are giving Door County's culinary world a new image.

In year seven, we're proud to have a wide range of craft breweries from Northeast Wisconsin and the upper Midwest sampling at our tables. You'll have more than 180 beers to choose from, and most of them will come from these area brewers. Please thank them for expanding the palettes of beer drinkers in big cities and small towns, and for creating this burgeoning new local industry.

We started this event in 2012 to bring something new to the peninsula, to celebrate the state's visionary craft brewers, and to highlight the creativity of the local chefs and entrepreneurs forging a new image for Door County's food scene.

Welcome to the 7th annual Door County Beer Festival!

WELCOME!
